

General Rules of Operation for Contractors in Forest Lakes After Your Plans Have Been Approved by FLCOA

Call FLCOA Committee Member for approval of footings before pouring concrete.

Make provisions for P-Jon and Fire Extinguisher on your job site as per instructions from Forest Lakes Metro District and FLCOA.

NO OUTSIDE FIRES ARE ALLOWED IN FOREST LAKES.

Keep your dogs on the property at the job site. Do not allow dogs to run freely in the neighborhood.

Keep all equipment on the job site. Keep roadways clear to alleviate congestion in residential areas.

Forest Lakes speed limit is 20 miles per hour. Please advise all of your staff and subcontractors that this speed limit is to be followed.

This is a working community. Be considerate of your neighbors in terms of starting times and noise levels.

Prior to going to the County for Certificate of Occupancy contact a FLCOA member for final inspection.

Thanks for your cooperation!
