

- but Dale hopes the owners will comply with the parking notice.
6. A question about parking for the local Roadrunner bus service from Forest Lakes to Durango was asked. At this point we have no specific information about where the bus will pick up Forest Lake residents or where to park your car. Dale at Metro was looking into it.
 7. A question was brought up about ATV usage in Forest Lakes. Melissa has talked with the La Plata sheriff and he replied that it is not in the jurisdiction of the FLPOA or Metro to enforce this issue. A discussion followed and Jean Elliot volunteered to speak with the sheriff's department again for further information
 8. A question was asked about who is responsible for clean up in the green belt area. Someone responded that the covenants say that the architectural committee is responsible. That information is unconfirmed at this point.
 9. A question about the mail box tags was asked and Melissa will contact the post Post office.
 10. A new member to the community asked about using the Rec center for a "Fitness Boot Camp". He was directed to contact Metro.
 11. A question was asked about what a covenant lien was. Melissa explained that if something on your property is in violation that item has to be cleared before the sale of the home according to our attorney. More clarification was asked for by a visitor.

Melissa moved to close the meeting and Pam 2nd it.
Meeting was adjourned at 7:50 pm
