

Forest Lakes Property Owners Association
Minutes
September 11, 2007

Melissa Johnson called the meeting to order.

We stood for a moment of silence in remembrance of September 11, 2001.

The officers remain the same.

Doug Savage reported for the architectural committee. One house was approved in the month of August. It will be located at 585 Hillside Drive.

Melissa reported that she is working on seeing that the covenants are enforced. The tree house reported last month is in the process of coming down.

Cherry Miloe reported that she is attempting to get the welcoming committee started.

Pam Savage moved that we accept the minutes. Seconded. Approved.

Mary Johnson moved that we accept the financial report. Seconded. Approved.

The shelter house for the playground will be presented to the architectural committee on September 19. Then we will move forward with our plans to construct the shelter.

Liz Oetter read a letter from the Upper Pine River Fire Department. They will provide a firetruck for the children to explore at the Boo Bash. The fire department is accepting donations for the fall activities that they are planning for the children. You may contact the fire department for more information.

The Boo Bash is in the planning stages. The date will be announced on the website. It will also be posted at the mail stop.

Cherry Miloe is the liaison for the fire department. She will help organize the program for helping people when they have a crisis.

Meeting was adjourned.
